## VETERANS DAY

Dear Brothers and Sisters of Boeing:

As a result of the 2010 Contract Negotiations, you will once again be able to take a Mini Day, a Sick Day, or an "O" Day for Veterans Day, Tuesday, November 11, 2014, to attend ceremonies and spend time with family and friends. You must notify your supervisor no later than the start of your shift of your absence per Article V, Section 13, per our Collective Bargaining Agreement. The absence will not be charged against your attendance if you are absent the entire day or if you arrive at work on time and leave early. You will be charged for arriving at work late.

God bless,

Stephen McDerman  
Assistant Directing Business Representative  
District 837, I.A.M.A.W.
