FACTS

November 14, 2014

Dear Brothers and Sisters,

This is to inform you that I am vacationing out in the month of November and will officially retire from the IAM on December 1, 2014. At that time ADBR Stephen McDerman will take the role of District 837 Directing Business Representative. Steve is knowledgeable about what it takes to run this District and I'm sure I'm leaving the hall in capable hands!

I also want to thank the members for their past support and friendship!

Fraternally yours,

Gordon King
President Directing
Business Representative
