

SPEED FACTS

UNITED WE STAND

September 24, 2019

Dear Brothers & Sisters,

Many of you have expressed and offered your support for our UAW Brothers and Sisters who are on strike against General Motors for many of the same issues we will face in our next negotiations.

I have spoken to the UAW Local 2250 President, Wentzville, MO and he has let me know that his members could use the following items:

- Ponchos
- Baby diapers
- Hygiene supplies
- Baby wipes
- Bottled water
- Nonperishable food items

For that reason; I am asking all members to consider making a donation in support of these UAW families. Members can drop off these needed items at the Union Hall between 8am - 4pm, Monday - Friday. Cash donations are welcome as well. Any funds raised will be used to purchase these needed items.

We will periodically deliver the donated items to the UAW Local as they are collected. You can also leave letters of support to be delivered as well.

In addition, for any member interested in volunteering your time to walk the strike line with our Union Brothers and Sisters, you are welcome to do so, but must check in at the Local 2250 Strike Headquarters and ride the shuttle to the strike line. Specifically, Gate 3 could use our support. Be sure to identify yourself as a Machinist 837 Member.

Our union brothers and sisters have drawn a line in the sand and have taken a stand against corporate greed. They are making a sacrifice to better their lives and the lives of their families. Their fight is our fight. An injury to one is an injury to all.

Please support the labor movement by generously donating these much needed items.

In Solidarity,

Earl Schuessler

SEIU #1/jm
