

SPEED FACTS

June 27, 2024

Hello Members,

I wanted to inform you that I reached out to the Boeing Company this past week to see if they would consider granting our members an O-Day for July 5th, 2024.

The Company responded with a NO, business will be as usual on Friday, July 5, 2024

On behalf of District 837 Staff, we would like to wish everyone a safe July 4th holiday.

In Solidarity,

Tom Boelling
President Directing - Business Rep
IAMAW District 837
